

Centerplate, the exclusive caterer at the Las Vegas Convention Center, is looking forward to welcoming back show management, exhibitors and attendees with an array of new safety and sanitation procedures to ensure the safe delivery of food and beverage services. The safety of our guests, employees, and work associates remains at the forefront of all the Centerplate/Sodexo hospitality venues. Our commitment to safety and sanitation programs continues with our suppliers and vendors to be sure they are placing the same elevated focus on safety that you would expect from us.

Let us start by introducing Vanessa Kopf, our Centerplate Hospitality Ambassador, who will lead the entire team with the implementation and compliance of CDC and state or local health directives. Our Hospitality Ambassador will work with the local health department, provide continued training on new standards of operation at pre-shift team meetings and interact with our clients to educate everyone on our new safety protocols.

Our culinary team, headed by Executive Chef Kristine Raymer, are working to adapt traditional services and menus to work within the "new norm". Emphasis will include modified buffet services, individually packed selections, specialized packaging and new pricing to accommodate safe and appropriate food and

beverage services on behalf of all the Las Vegas Convention Center attendees.

Centerplate will provide all our employees with the necessary PPE required to perform their tasks in a safe manner. Here are some of the new policies and procedures to be implemented:

- Three-ply surgical masks and gloves for all team members will be provided.
- All staff will go through employee wellness screening upon arrival prior to reporting to their assigned work area.
- Employees will receive specialized health and safety training.
- Targeted sanitation and cleaning schedules
- Point of sale barriers for guests and cashiers
- Wrapped Flatware
- Only individually wrapped condiments to be provided
- Cashless Pay available at Retail locations
- Additional Outdoor seating options

As your food service partner, Centerplate has always "made it better to be there" for our guests and employees, and as we enter the "new norm", rest assured you can depend on Centerplate to "make it safer to be there as well!"
